

QB Filing Digital Service - accepted document types

updated March 11, 2022

PLEASE NOTE:

- Not all document types can be submitted for filing and stamping. Because supporting documents are already filed and stamped, the system can accept more document types as supporting than are allowed for digital filing.
- While Desk Applications and Proposed Orders can now be submitted for Justice/Masters Review, we cannot accept **Emergency Desk Applications for Justice**. Please refer to the announcement regarding [Justice “Urgent Matter Chambers”](#).
- The service **CANNOT** accept **applications** for Chambers or Specials but it **CAN** accept other documents in advance of an already scheduled hearing.
